

Private Banking

Access. Simplicity. Expertise.

First Class Service

Private Banking is an exclusive service at First Financial Bank, designed to meet your complex financial needs. Your Private Banker will get to know you and your unique circumstances to offer customized solutions for your sophisticated banking needs. We provide an exclusive boutique experience where you have a team of professionals working together towards your financial goals.

Sophisticated and timely solutions

As a successful individual with complex interests and needs, you deserve a unique client experience with a complete set of solutions that make up a strong foundation of financial services. Our Private Bankers will strategize with you to plan for your future and leave a legacy for generations to come. We want to maximize your benefits, ensure confidence, and provide peace of mind; while simplifying your life.

Our interconnected approach with wealth management goes beyond investments. Your Private Banker will be your single point of contact.

The First Financial Difference: How we help
