

Intellectual Property Is Calfee: Your valuable business assets secured by attorneys with deep IP and business experience

Serving a national and international client base comprised of established and entrepreneurial enterprises, Calfee provides fully integrated, high-quality legal services across the United States.

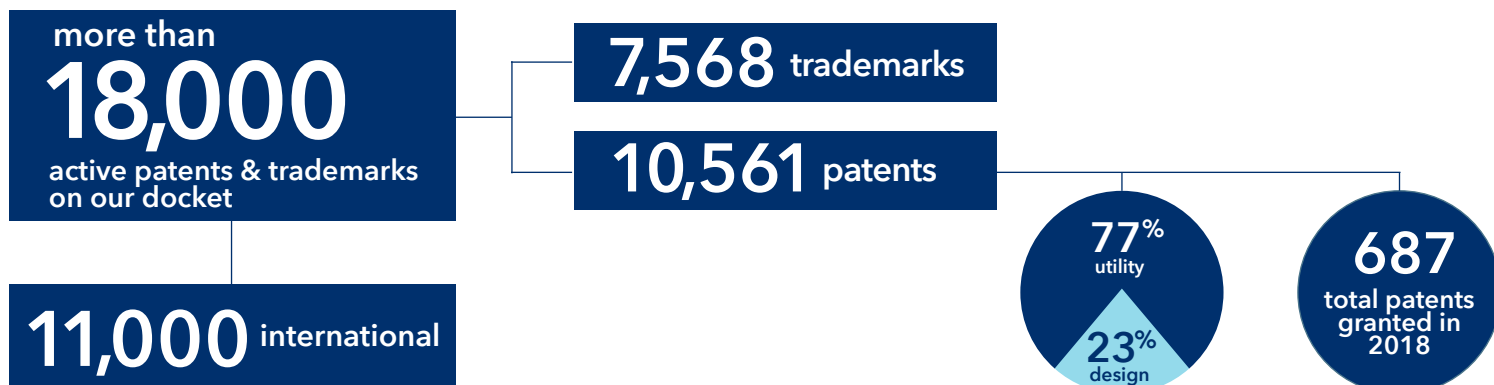

We also have a thriving practice in Asia, serving U.S. enterprises doing business in China and other Asian countries and Asian companies that need IP representation in the U.S. Through a strategically chosen and trusted network of international law firms, we can efficiently serve clients' legal needs in more than 100 countries.

CALFEE

“[Calfee IP attorneys] are able to bring a unique perspective and strategy while remaining cost effective.”

– Client quote to Chambers USA

PATENTS AND TRADEMARKS

Calfee is routinely recognized by *U.S. News – Best Lawyers in America* as one of the “Best Law Firms” in the U.S. for Intellectual Property Litigation.

PROTECTING YOUR WORK IS OUR PRIORITY

Calfee’s IP practice develops and protects intellectual property and technology assets by:

- Patent litigation, opinions and strategy
- Working with clients to strategically obtain, maintain and enforce patent and trademark portfolios
- Helping clients protect and enforce their trade secrets and mitigate trade secret risks
- *Inter partes* reviews, reexaminations and appeals before the Patent Trial and Appeal Board
- Cancellation and opposition proceedings before the Trademark Trial and Appeal Board

With 40 IP attorneys, 30 of whom are registered with the USPTO, Calfee has one of the largest IP practices in the Midwest fully integrated within our general corporate law firm. This integration provides close collaboration with corporate and litigation attorneys, when needed, to help clients with acquisitions, divestitures, joint ventures, strategic partnerships, licensing arrangements, general contracting matters and complex litigation.
